In 1066 a great battle took place in England between the Anglo-Saxons and the invading Normans.
Its result would determine a new course of history.

There are some moments in history that are so dramatic or important that people remember them
forever.

In words and pictures, Gillian Clements tells the stories of these Great Events. These books are perfect for the emerging independent reader at upper Key Stage 1. Simple, narrative text with lively, informative line illustrations. Designed to encourage a sense of history, not just give the facts.
